Hi Georgette,

Heard. My follow-up is who decided upon this set of rules then if it's not publicly documented? For comparison, City Council has rule 58 which the Mayor and Alderpeople adopted.

Best,
Nik

Dear Nik Hunder:

I am not able to attach a document that outlines the CTA's rules for public comment. To the best

of my understanding the Public Comment overview on the CTA website is the CTA's public comment process.

Thank you Georgette,

Are you able to attach or direct me to the document that outlines the CTA's rules for public comment? I'm looking for more official documentation than the details provided on the website.

Best,

Nik
